

1 out of every 5 children in west Michigan doesn't get enough affordable, nutritious food to eat.

We are addressing this problem by empowering people to grow their own food.

HANDS-ON SCHOOL
EDUCATION

COMMUNITY
ENGAGEMENT

SUSTAINABLE
SOLUTIONS

Working together with partners, schools, individuals, and donors like you, we can empower communities to grow their own food and inspire others to do the same.

CORPORATE DONATION LEVELS

- **\$15,000 contribution:** Enables us to keep our community deck box garden program at full capacity
- **\$8,500 contribution:** Enables us to develop curriculum for an additional grade at every school
- **\$3,500 contribution:** Offsets one school's garden installation fee
- **\$2,000 contribution:** Provides maintenance and supplies for one school garden
